J.B.—junior boys; I.B.—intermediate boys; O.B.—older boys; J.G.—junior girls; I.G.—intermediate girls.

Champ Swim Meet Is Aug. 25, 26 7/29

Town Sponsoring Event, Boys, Girls Under 21 Invited to Enter

Because of the excellent response to last year's initial attempt to hold Town of Amherst championship swimming races, Supervisor Edward F. Metz and William Wratten, head of the town recreation program, have given the go sign to a second meet. 110 youngsters participated in the meet a year ago and it is expected that more will be interested this year.

Several meetings have been held during the past few months and Herbert Mols, Park School athletic director, again has received cooperation from every source. Tom Tierney, Amherst swimming coach, and Bob Bedell, Williamsville swimming coach, have agreed to assist the director. J. Y. Cameron, county recreation director; J. Robert Chalmers, Williamsville school board director; E. Barton Chapin, Park School headmaster; Jim Coleman, Williamsville athletic director, and Milt Bergman, Amherst athletic director, have been present at meetings which analysed the meet of a year ago and have considered improvements for this year.

The Park School has again offered the use of its pool for the evenings of Wednesday, August 25, for the trials and semi-finals, and Thursday, August 26, for the finals. All of the AAU officials who officiated at the splendid meet of a year ago have offered their services again.

The AMHERST BEE will begin printing the application blanks in next week's edition and the blanks will also be available at the town playgrounds, swimming pools and local stores.

Championship Swim Meet Adds New Class To Events

Service Organizations To Sponsor Events. Blanks Ready Today

Application blanks for the Town of Amherst championship swim meet are printed today in the AMHERST BEE for the first time. The second annual championships will be held in the Park School outdoor pool Wednesday and Thursday, August 25 and 26, 6:30 P. M. The meet is open only to Town of Amherst residents and will include 18 races for boys and 11 races for girls under 21. Contestants are requested to read the rules carefully. Those who wish to swim together on a relay team should either submit their entries together, or enclose an extra sheet of paper listing the team. Anyone who wants to enter the relay event, and does not have a team, may simply note that fact and the director will help organize extra teams.

In an effort to provide top competition for the swimmers of the town, and to eliminate these swimmers from the regular classes, Director Herbert J. Mols announces the addition of a new senior class this year. Any swimmer who has won an interscholastic, intercollegiate freshman or varsity, or AAU race must automatically enter this class. It is hoped that this will encourage others to enter the other age classes.

In order to provide added incentive to the senior class, service organizations of the town have responded to the appeal and are sponsoring the various events of the class. In addition to the medals provided by the Town for the midget, junior and intermediate classes, the organizations will donate a trophy for 1st and medals for the 2nd and 3rd place winners.

The 160-yard relay will be called the Rotary relay sponsored by the Snyder-Eggertsville Rotary Club. The Kiwanis Club is backing the 120-yard medley relay. The Lions Club will award the trophy for the 100-yard backstroke while the Bachelor Arms accepted the 100-yard free style. The Lamm Post will honor the 100-yard breast stroke and the Amherst Junior Chamber of Commerce will award the 40-yard free style winners. The Quota Club of Amherst has obtained awards for the girls' 40-yard free style champs.

Application must be submitted to Herbert J. Mols, Park School, Snyder, 21, N. Y., before Aug. 21. Trials and semi-finals will be held Wednesday, Aug. 25.

The application blank will be found on page 2 of this issue.

THURSDAY, AUGUST 19, 1954

Town Runners Compete In Jr. Olympic Finals

Last Saturday, the winners of the Suburban Erie County and the City of Buffalo Junior Olympics program met in the final race-off at the All-High stadium in Buffalo and again the city cousins raced off with the championship 300-174. Amherst-Williamsville qualifiers performed very well to help the country competitors make a fine showing in the fourth annual classic.

Carolyn Lehr of Eggertsville successfully defended her standing broad jump championship in the junior class and added a third in the 75-yard dash. Her jump of 7' 7/8" was shy of her last year's record and her winning jump in the suburban meet at Hamburg. Jack Hewson of Williamsville placed third in the older boys' shot-

put and the 440-yard run. Dick Ellis of Snyder came through to a second in the intermediate boys' running broad jump while Don Simonds of Williamsville also took a second in the high jump. John Byrnes of Williamsville ran just out of the money in the older boys' 100 as he placed fifth. The 17 points was a very creditable showing for the number represented.

It is hoped that in another year Amherst-Williamsville will be able to field a complete entry in the suburban meet.

LEGION TRACKFEST IN AMHERST JULY 7

The George F. Lamm Post of the American Legion will sponsor a track and field meet for boys and girls living in the Town of Amherst, July 7 at 6:30 P. M. on the Amherst Central High field.

There will be competition in the following divisions: Junior Boys and Girls, 12 years and under; Intermediate Boys and Girls, 14 and 15 years; Senior Boys and Girls, 16 and 17 years. The program includes running races at distances of from 50 to 880 yards and various field events.

Co-operating with Lamm Post are Supervisor Edward Metz and the following recreation directors: William Wratten, Amherst Central; Herb Mols, Park School; Henry Schoelles, Williamsville Central, and Milton Bergman, Amherst Central.
