

Park Gridmen Clinch CUPS Title

It was for all the marbles for Park when they visited Allendale of Rochester last week in the season's finale. At the start of the day, the CUPS league faced the mathematical possibility of a 4 way tie. But the never-say-die Pioneers took the early lead of 12-0, dissipated this margin to go behind 13-12 and then came through in the final 4 minutes with a 24-13 victory, which gave them a 4-2 CUPS record and the Yale trophy.

The power, running of John Sheedy and Paul Farber with the end sweeps of Pete Simmons and Rich Appel paced the Park gridgers. After a period and half of play at midfield, John Sheedy broke loose for 23 yards and when momentarily hemmed in, lateralized to Pete Simmons who waltzed in for the first score, and the half ended 6-0.

Taking the second half kickoff to the 34, Park took 7 plays to score. The march was highlighted by an Appel 27 yard run and John Sheedy's 2 yard plunge. Allendale proved to be a tartar as they marched right back for a score set up by two passes and a 30 yard run by Jim Kitchen climaxed by a 2 yard crossback by But August. The PAT pass was complete from Jim Williams to Kitchen. A Park fumble was recovered by Allendale at the 38 and 5 plays later they took the

lead as Kitchen raced in from the 14, just after the 4th quarter began.

Pete Simmons brought the kickoff back to the 38. Two plays later Appel reversed his field for a 35 yard TD run which was nullified by a clipping penalty, apparently after the score. On the next play another penalty set the Pioneers back to the 40, but on 3 straight runs John Sheedy covered the entire distance for an 18-13 lead with 4 1/2 minutes on the clock. Allendale gave it a big try. Three runs and a pass gained them a first down on the Park 13. But the defense was equal to its task. A run was stymied and then 3 straight passes were knocked down all in the end zone. With 2 minutes to go, Paul Farber ran out to the 25 but another penalty set them back to the 10. Again they ran out to midfield but were penalized to the 12. However, Sheedy's run to the 23 was followed by a zig-zagging run by Appel for 57 yards and the clinching score. After the next kickoff, Mark Cox recovered an Allendale fumble as the game ended at midfield.

SOCCER TEAM TIES

On an adjacent field, the Pioneers edged the Allendale booters 1-0 as Fred Keller earned his sixth shutout. Don Vogel's first period goal stood up for the rest of the game and even though the visitors peppered the opponents' goal, they could not tally again. Park thus ended its season with a tie clincher in soccer. The standings are:

Park	6	2	0
Lakemont	5	1	2
