Amherst Swim Pool Is Studied

Service Clubs to Aid
Drive for Pool

At the request of several service clubs in Amherst, the Amherst Recreation Committee was requested to initiate a meeting to discuss swimming for the town residents. The meeting was held at the American Legion Hall on Wehrle Drive in Williamsville. Mr. H. Mols, chairman of the recreation committee, conducted the meeting.

Present were Mrs. Rosalee Jackson, Mrs. Dorothy Stern, Mr. J. Earndollar, Mr. R. W. Bedell, Mr. C. K. Cassety, Mr. W. G. Christman, Mr. F. Harrison, Mr. N. Mandell, Mr. J. Passmore, Mr. H. Schum, and Mr. W. N. Weber, representing these associations (in alphabetical order) American Legion, Amherst Shrine, Kiwanis, League of Women Voters, Veterans of Foreign Wars, Williamsville Lions, and Williamsville Rotary.

All present were most enthusiastic about the idea of a swimming pool for the Town of Amherst. A number of excellent ideas were presented by those present. Each of the delegates was to return to make a full report to their respective organizations.

It was suggested that all the service organizations in Amherst band together and actively support the building of swimming pools. It was agreed that a committee be formed consisting of one member from each group. Mr. W. N. Weber was elected temporary chairman to coordinate the formation of this committee. Any organization not present is requested to contact Mr. Weber at 388 Cadman Drive in Williamsville, PL. 4162, for more information.

It was agreed that every organization, large or small, should be represented. If these groups will contact the temporary chairman, the entire program can move more rapidly and make his job much easier.
