

## Town Swim Meet Aug. 18, 19

### Annual Sports Event Open to All Amherst Young People

At a meeting held at the Park School, Supervisor Eduard Metz approved plans to hold the 3rd annual Town of Amherst swimming championships in the Park School outdoor pool, August 18 and 19. The record entry of last year makes this one of the outstanding sports events on the summer calendar. Last year, swimmers from the Snyder, Eggertsville area proceeded to the Buffalo Junior Olympic meet and won the championship while another team from Williams-ville took third place. It is the intention of the committee to enter one team, representing the Town of Amherst, to aspire for this crown again. Entries will be selected from the Town meet, and if necessary, special trials will be held.

Herbert J. Mols, director of athletics at the Park School, will again be director of the meet, assisted by Thomas Tierney, ACHS swimming coach, Robert Bedell, WCHS coach and in charge of the Island recreation, and Robert Long, physical education instructor at Windermere school.

Others present at the meeting included E. Barton Chapin, headmaster, Park School, Gardner Debo and Huntley Riley, Erie County Recreation Department directors.

It was decided to make one change to make the senior class unlimited in age, so as to continue the practise of the best swimmers in the Town, college or high school, competing against each other, and also to add a new Senior event, the 160-yard individual medley. Since the service organizations sponsored these events last year, this will make it possible for one more organization to volunteer for this sponsorship.

Junior girls 80 yd. relay: Won by Sally Manske, Peggy Davis, Mary Stonecliffe, Brenda Mols, SNY; 2nd, Gail Osborn, Ruth Cryan, Pat Elliott, Nancy Davis, EGG, 3rd, Vaughan Krasselt, Ann Jaynes, Sheila Cleary, Patricia Cleary, WMS, 0:53.3 (New record).
